

RESEARCH POSITION

Manipal Academy of Higher Education (MAHE), Manipal invites applications for various research positions under Ministry of Health & Family Welfare, Department of Health Research for establishing Multi-Disciplinary Research Units (MRUs) at **Kasturba Medical College (KMC), Manipal**.

Position and details:

Position	Qualification	Remuneration in INR/month
Project Research Scientist – III (Scientist C)- (One Position)	Essential Qualification: - A post-graduate degree in life sciences with at least 5 years of work experience in a reputed research laboratory OR a PhD in a related area - Experience in independently using High Performance Liquid Chromatography (including method development) Desirable Qualification: - Industry experience, particularly in pharma/diagnostics - Publication (as first or corresponding author) in high impact journals Job Description: - To independently handle the routine functioning of the research laboratory. This includes maintenance, logistics, and routine care of the laboratory) - Be responsible for assisting clinician’s in their projects - To assist and contribute meaningfully in all phases of the research - To independently write grants and to assist clinicians in the same - To oversee data collection, performing statistical analysis, and ensuring integrity of research data - To develop SOPs for the laboratory and to ensure adherence to the same - Mentoring and supervision of junior scientists/laboratory technicians Job Code: Application for Project Research Scientist- III (Scientist C) – Multi-Disciplinary Research Units, KMC, Manipal	Rs. 67,000+ 10% HRA

Position	Qualification	Remuneration in INR/month
Project Research Scientist – III (Scientist B) – (One Position)	Essential Qualification: - Any post graduate degree in life sciences with at least 2 years of work experience in a research field Desirable Qualification: - Publication (as first or corresponding author) in high impact journals Job Description: - Responsible for the day-to-day functioning of the laboratory - Management of data (ensuring integrity of data, entering the data, and ensuring data privacy) - Assisting the lab-in-charge in ensuring smooth functioning of the laboratory (adherence to SOP, monitoring of logistics etc.) - Assisting the scientists and PIs of projects in all phases of their research <i>Job Code: Application for Project Research Scientist- III (Scientist B) – Multi-Disciplinary Research Units, KMC, Manipal</i>	Rs. 56,000+ 10% HRA
Lab Technician (Two Position)	Essential Qualification: 12th pass in Science subjects with Diploma in Medical Laboratory Technology (DMLT/MLT) or equivalent with minimum five years of experience in a relevant laboratory/research field OR - Three-year graduate degree in Life Sciences / Medical Laboratory Technology / Biotechnology / Microbiology or related subject with minimum two years of experience in laboratory work Desirable Qualification: - Experience in molecular biology techniques (PCR, ELISA, DNA/RNA extraction) - Experience in sample processing, storage and biobank management - Experience working in clinical research projects or diagnostic laboratories - Knowledge of biosafety procedures and laboratory documentation Job Description: - Collection, processing and storage of biological samples (blood, serum, plasma, etc.) - Performing routine laboratory assays and assisting in molecular/biochemical experiments - Maintaining laboratory records, sample inventory and equipment logs - Ensuring compliance with biosafety and quality control protocols - Assisting investigators in research activities and laboratory data documentation - Coordination with clinical teams for sample collection and transport <i>Job Code: Application for Lab Technician – Multi-Disciplinary Research Units, KMC, Manipal</i>	Rs. 20,000 + 10% HRA

Position	Qualification	Remuneration in INR/month
Lab Assistant/ Data Entry Operator (Grade A) (One position)	Essential Qualification: - Three-year graduate degree in any discipline, preferably Life Sciences / Computer Applications / Statistics / Public Health OR 12th pass with relevant diploma in computer applications / data entry / IT with experience in data entry and database handling Desirable Qualification: - Experience in research data entry and management - Proficiency in MS Excel, MS Access, REDCap, or other clinical data management systems - Basic knowledge of medical research terminology - Experience handling large datasets and maintaining confidentiality of patient data Job Description: - Data entry and management of clinical and laboratory research data - Maintaining electronic databases and ensuring data accuracy and quality checks - Assisting investigators in preparing datasets for analysis - Maintaining study documentation and electronic records - Supporting coordination of project documentation and reports - Assisting in administrative and data management tasks for research projects <i>Job Code: Application for Lab Assistant/ Data Entry Operator (Grade A) - Multi-Disciplinary Research Units, KMC, Manipal</i>	Rs. 20,000/-

Mentioning of **Job Code** in the subject line of the application is mandatory.

Duration of the Project: Initially for a period of One year and extendable upto five years based on the performance and need of the project.

Candidates possessing the requisite qualification may send their detailed CV on or before **September 05, 2026** to the following e-mail id/address. Shortlisted candidates will be informed by e-mail about the interview. No TA/DA will be paid for attending the interview.
