

**INTERNATIONAL CENTRE  
FOR APPLIED SCIENCES**  
MANIPAL  
(A constituent unit of MAHE, Manipal)

2<sup>nd</sup> June 2026

Dear Students of 2026 Admission Batch,

*Welcome to the World of Manipal!*

At the outset, I would like to thank you for getting provisionally admitted to the International Transfer Program (ITP) in Engineering, offered by International Centre for Applied Sciences (ICAS), MAHE, Manipal. ICAS is located within the sprawling campus of Manipal Institute of Technology, in the Southern Indian City of Udupi-Manipal, Karnataka.

Manipal Academy of Higher Education (MAHE) is a premier Deemed to be a University under Section 3 of the UGC Act 1956, Government of India. It is synonymous with excellence in higher education and has been accorded the prestigious 'Institute of Eminence' status by the Ministry of Human Resource Development, Government of India and NAAC accredited with a grade of "A++".

ICAS Manipal, a constituent unit of MAHE started International Transfer Program in the year 1994, leading to Bachelor's Degree in Applied Sciences / Engineering. **Under the Programme, students can complete the first two years of study at ICAS, Manipal, India. The following two years can be pursued at a premium university abroad of their choice by transferring their academic credits obtained from the first two years of study.** The credit transfer will depend upon the academic policy of the respective foreign universities. Upon completion of the programme, the student will obtain International Engineering Degree awarded by the destination university abroad. Visit thoroughly, [www.manipal.edu/icas.html](http://www.manipal.edu/icas.html) to know more about the programme. Visit [https://manipal.edu/icas/program-list/b\\_sc\\_applied\\_sciences.html](https://manipal.edu/icas/program-list/b_sc_applied_sciences.html) for the detailed syllabus and <https://manipal.edu/icas/about-icas/rules-regulations.html>, for the academic calendar and course structure of the programme.

It is planned to have Orientation Program on **10<sup>th</sup> August 2026** and first semester classes for the fresh admission (2026) ICAS batch will commence from 11<sup>th</sup> August 2026 onwards. The class timetable and the Orientation program invitation will be sent in due course of time.

P.T.O
